WARNING
SATIRE

"The dangers of arbitrary and inconsistent viewpoint censorship are only increased when enforced by governments using opaque procedures that fall woefully short of due process and are insensitive to local context, including sarcasm, satire and humour."

How many goddamn times do I have to tell ya ?
I am *not* the "EGGMAN", I am the "WALRUS."

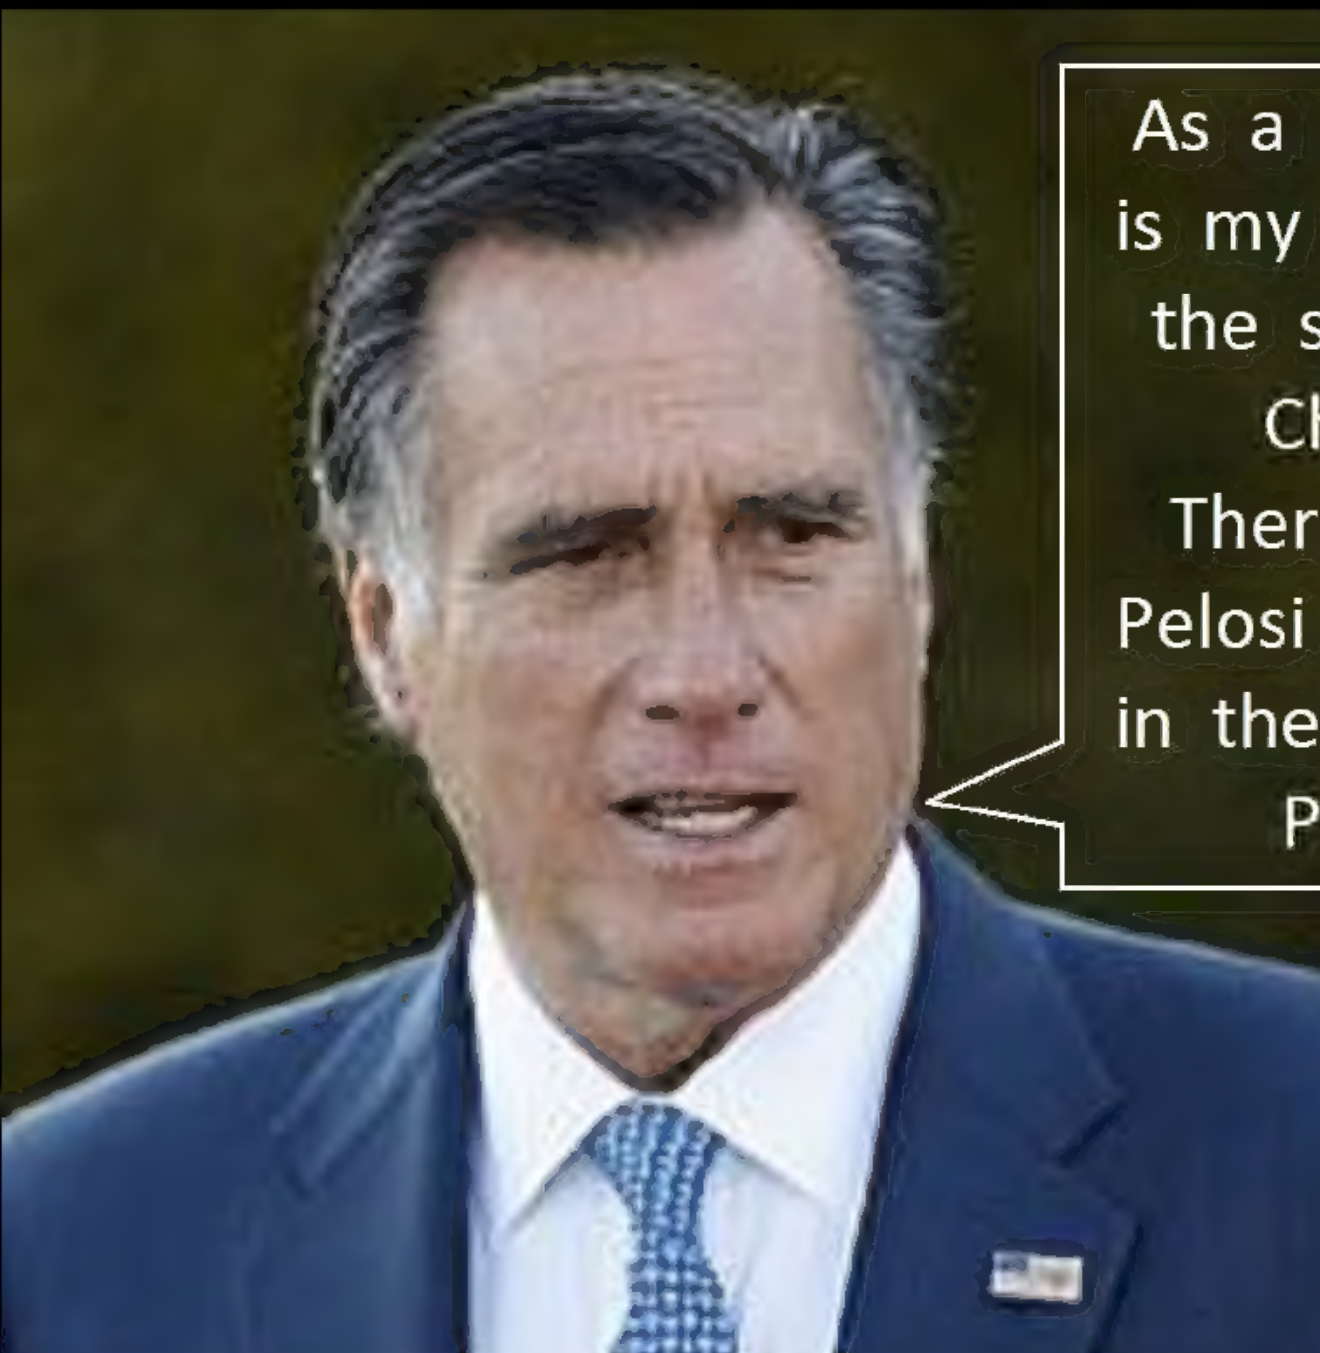

Not only is Steele's dossier 116 correct, and not only is the P*Tape real, but Donald J. Trump is a Russian spy.**

Hear !
Hear !

What business it of
anyone's if I send pictures
of my balls to strangers ?

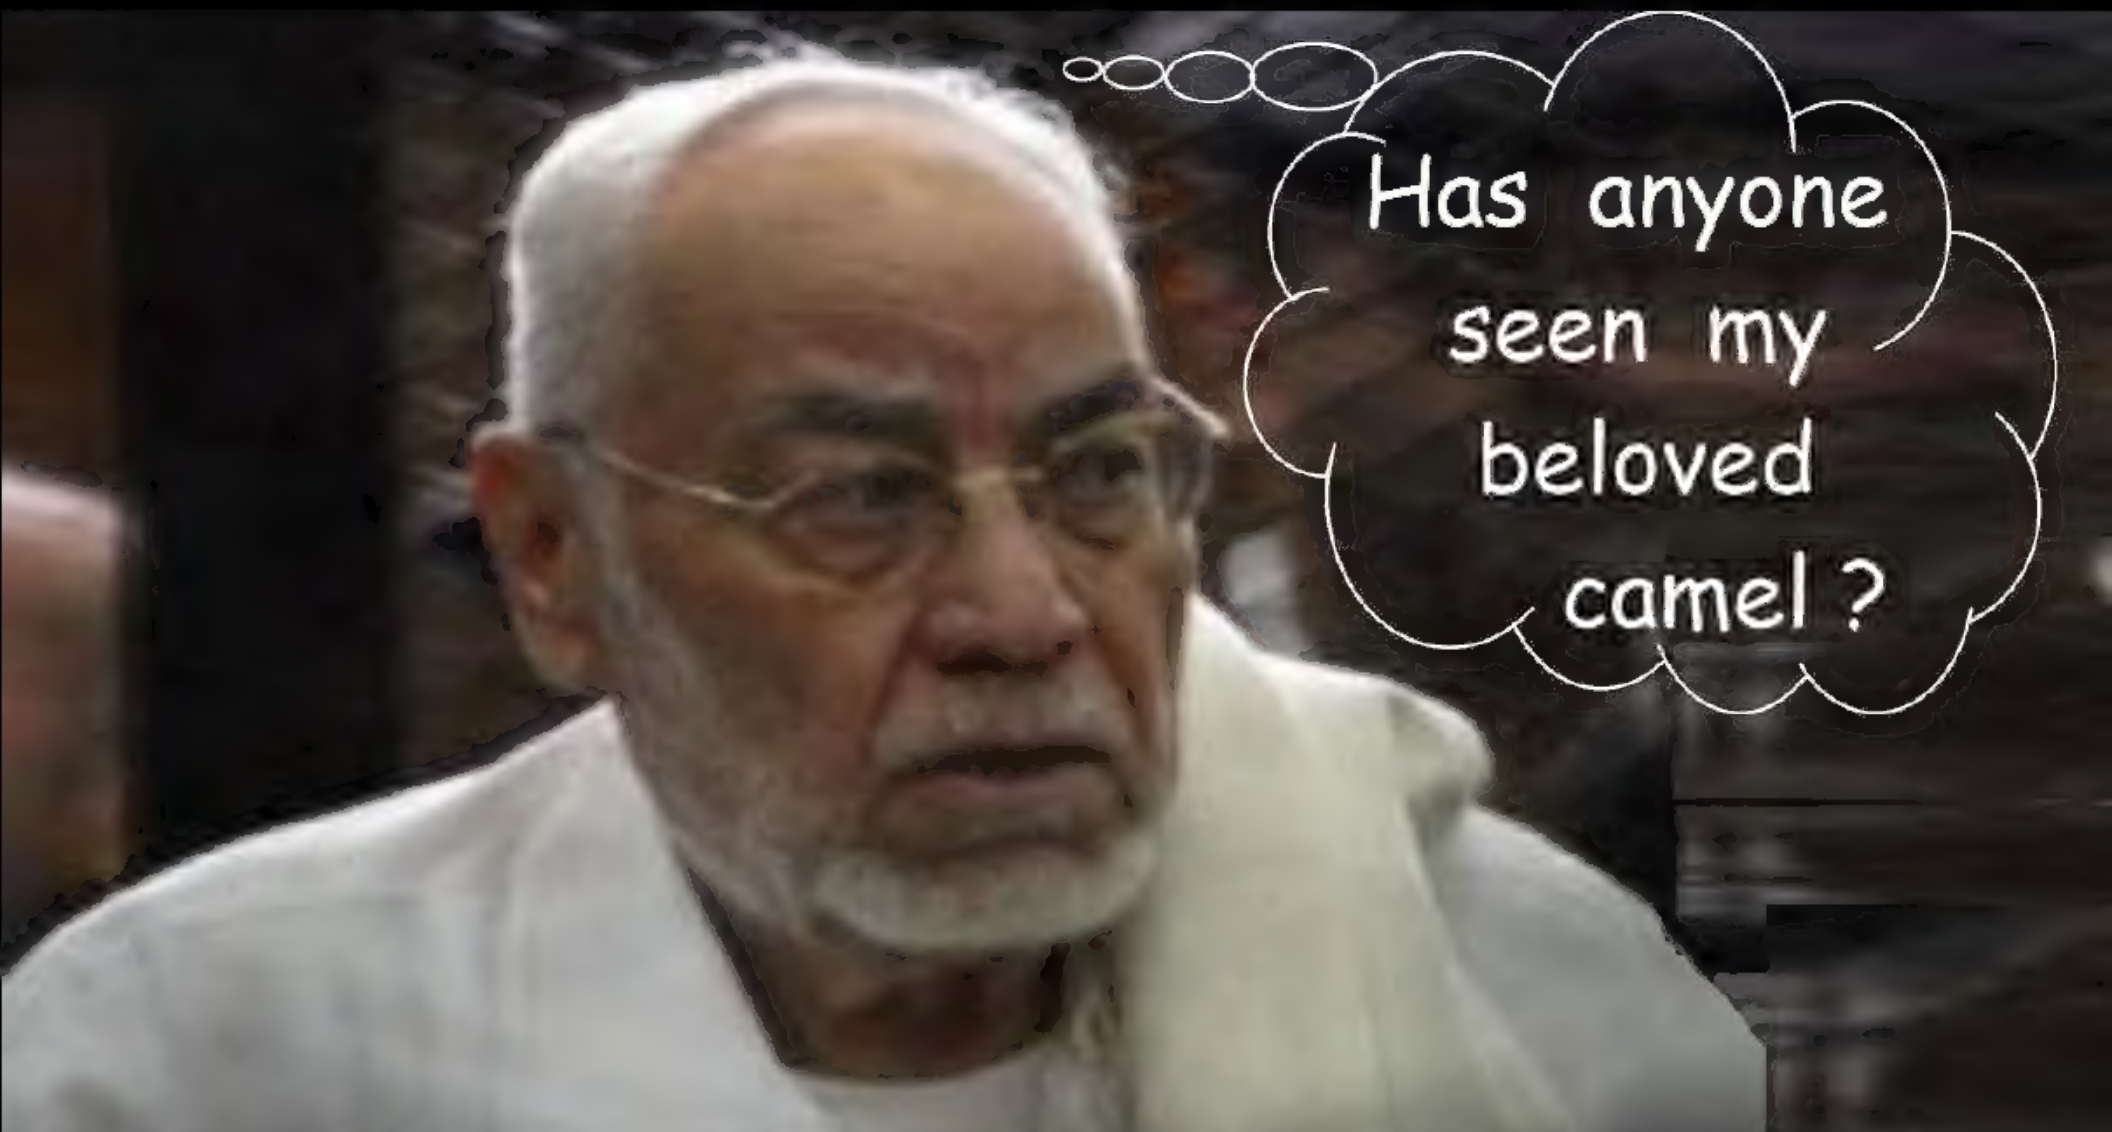

As a religious fanatic , it
is my life's work to erase
the separation between
Church and State .
Therefore I am joining
Pelosi and the Democrats
in their effort to impeach
President Trump .

Republican Senator
Mitch Romney
betrays Trump !

I knew you couldn't trust
that goddamn Romney!

Has anyone
seen my
beloved
camel?

A man with a bald head, wearing a dark suit, white shirt, and a red tie with white polka dots, stands behind a podium. He has a serious expression. A thought bubble is superimposed on the right side of the image, containing text. The background is a blurred blue and white.

**As a KGB mole ,
I must protect our
top spy in America -
President Trump -
from impeachment
or discovery .**

I would like to thank all veterans for their service and sacrifice , but because you cost too much money , I have to cut-back your benefits . That money will go directly into paying for all the tax breaks our glorious President has given to corporate interests . They deserve that money , not you .

Wonder where
Chinky got all his
service ribbons?
Missions in Tibet,
plucking the eyeballs
from pacifist monks
and civilians?

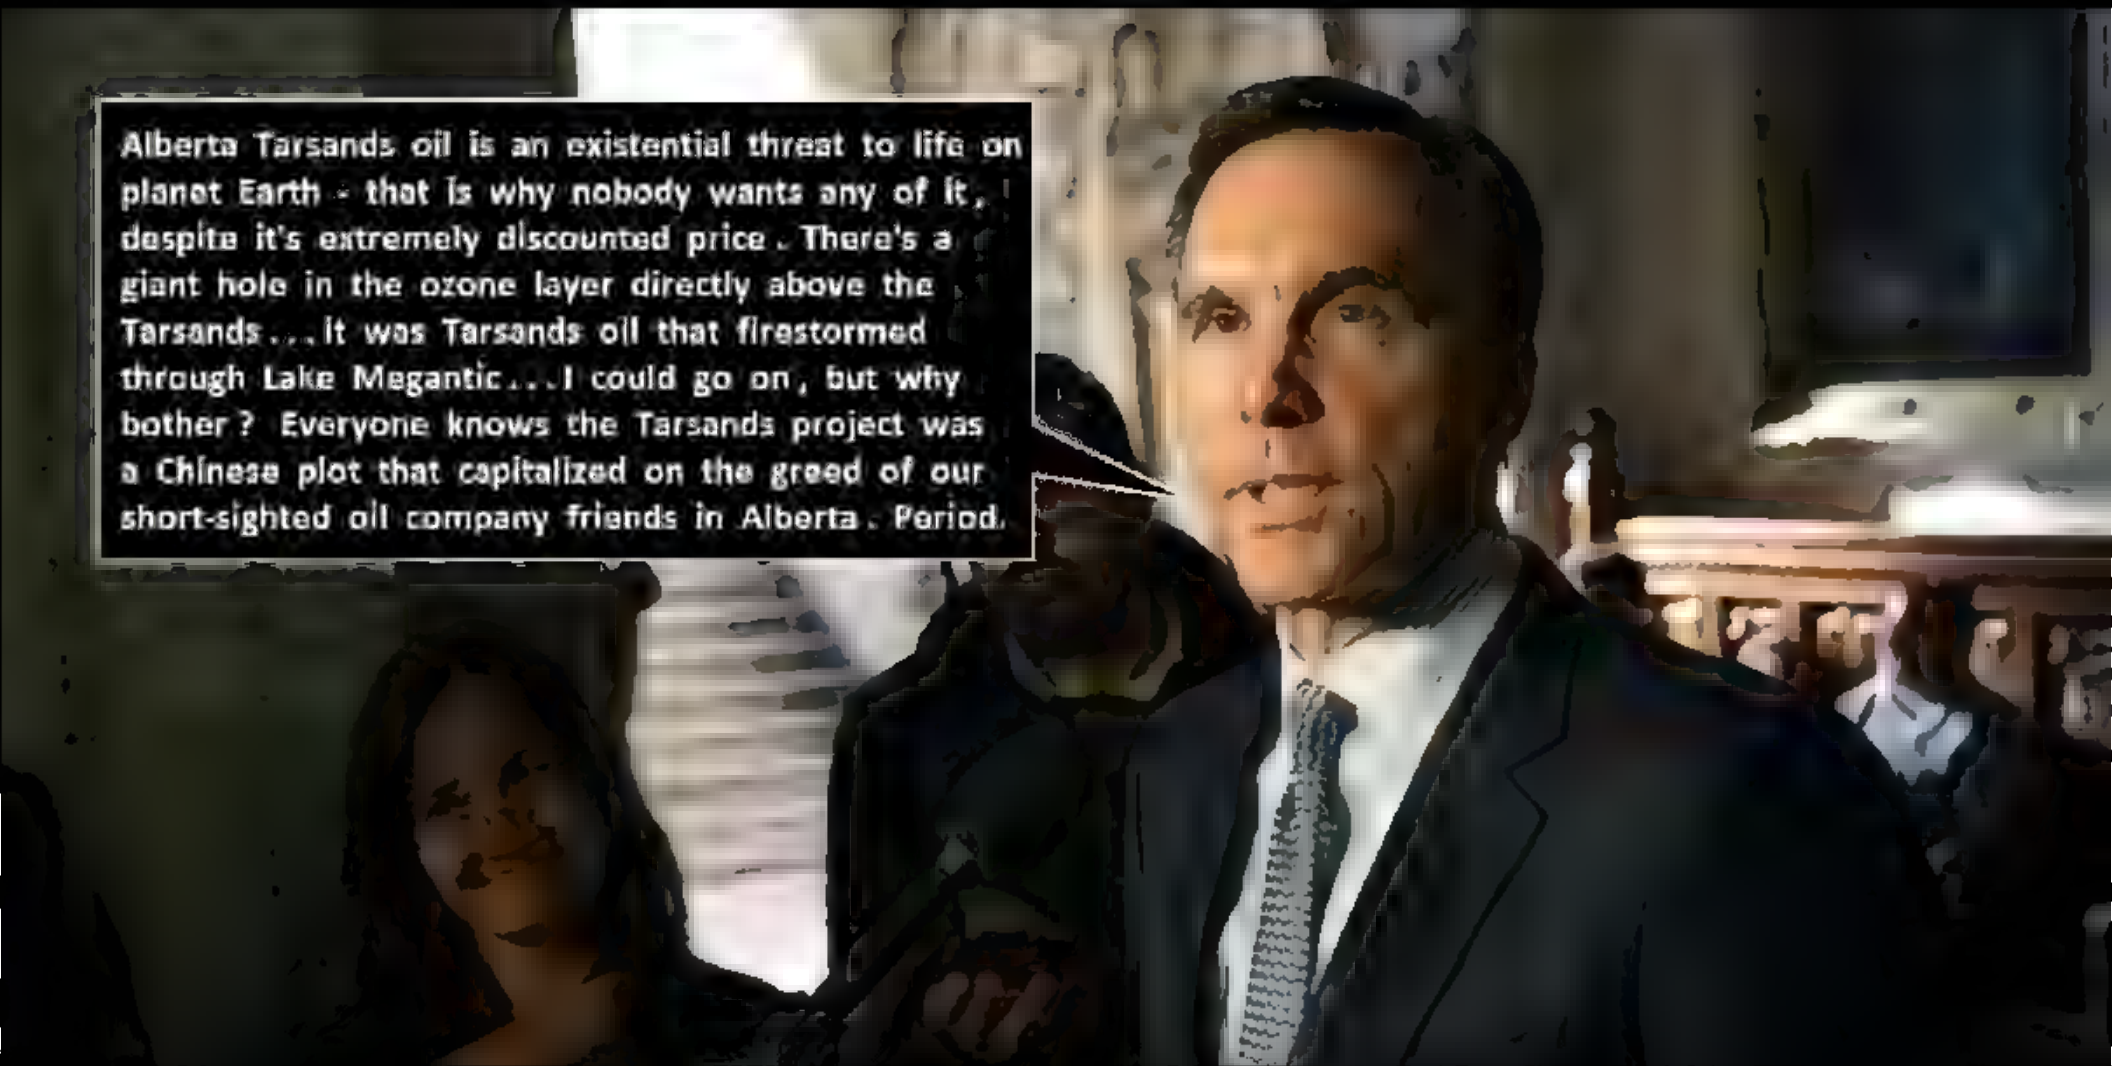

"With Tony Clement texting pictures of his balls to random strangers all over the country, I ask, 'Who is watching the watchers in the Canadian security and intelligence community who are watching what Canadians watch on their TV's, interweb and smart-watches?' To put it more succinctly, 'Who is watching the watchers watch what we watch on our watches?' "

A man in a dark suit, white shirt, and blue tie stands with his arms raised in a celebratory gesture. He is smiling and looking towards the camera. The background is a bright blue wall with some architectural details visible at the bottom.

I have introduced a Bill to Impeach President Trump and have VP Pence declared a non-hostile domestic agent of the QANON conspiracy. Join me and Nancy in the Rotunda for a celebration.

Alberta Tarsands oil is an existential threat to life on planet Earth - that is why nobody wants any of it, despite its extremely discounted price. There's a giant hole in the ozone layer directly above the Tarsands... It was Tarsands oil that firestormed through Lake Megantic... I could go on, but why bother? Everyone knows the Tarsands project was a Chinese plot that capitalized on the greed of our short-sighted oil company friends in Alberta. Period.

After caucus has our annual pre-Christmas "Boston Tea-bagging Party," I plan to spend the rest of the evening texting pictures of my balls to people I don't even know - like a rhinestone cowboy.

A man with light hair, wearing a dark suit, white shirt, and blue tie, is speaking at a podium. Behind him is a large American flag. A black text box with white text is overlaid on the image, pointing towards the man.

A photograph of a group of men. In the foreground, a man in a white shirt and a dark cap is speaking at a podium. Behind him, several other men are standing, some in white shirts and others in suits. To the right, a man in a dark suit and a dark cap is standing. A black text box with white text is overlaid on the left side of the image.

" Last thing I remember was

When I wake my asshole

As yet another tsunami scrubs the Gaza coast , Israel is accused of secret undersea nuclear tests in eastern Mediterranean Sea .

A man with short brown hair, wearing a dark suit, white shirt, and blue tie, is speaking at a press conference. He is looking slightly to his right. In the foreground, several microphones are visible, including one with a blue triangular logo and another with a white '2' on a black background. The background is blurred, showing what appears to be a cityscape or large indoor space.

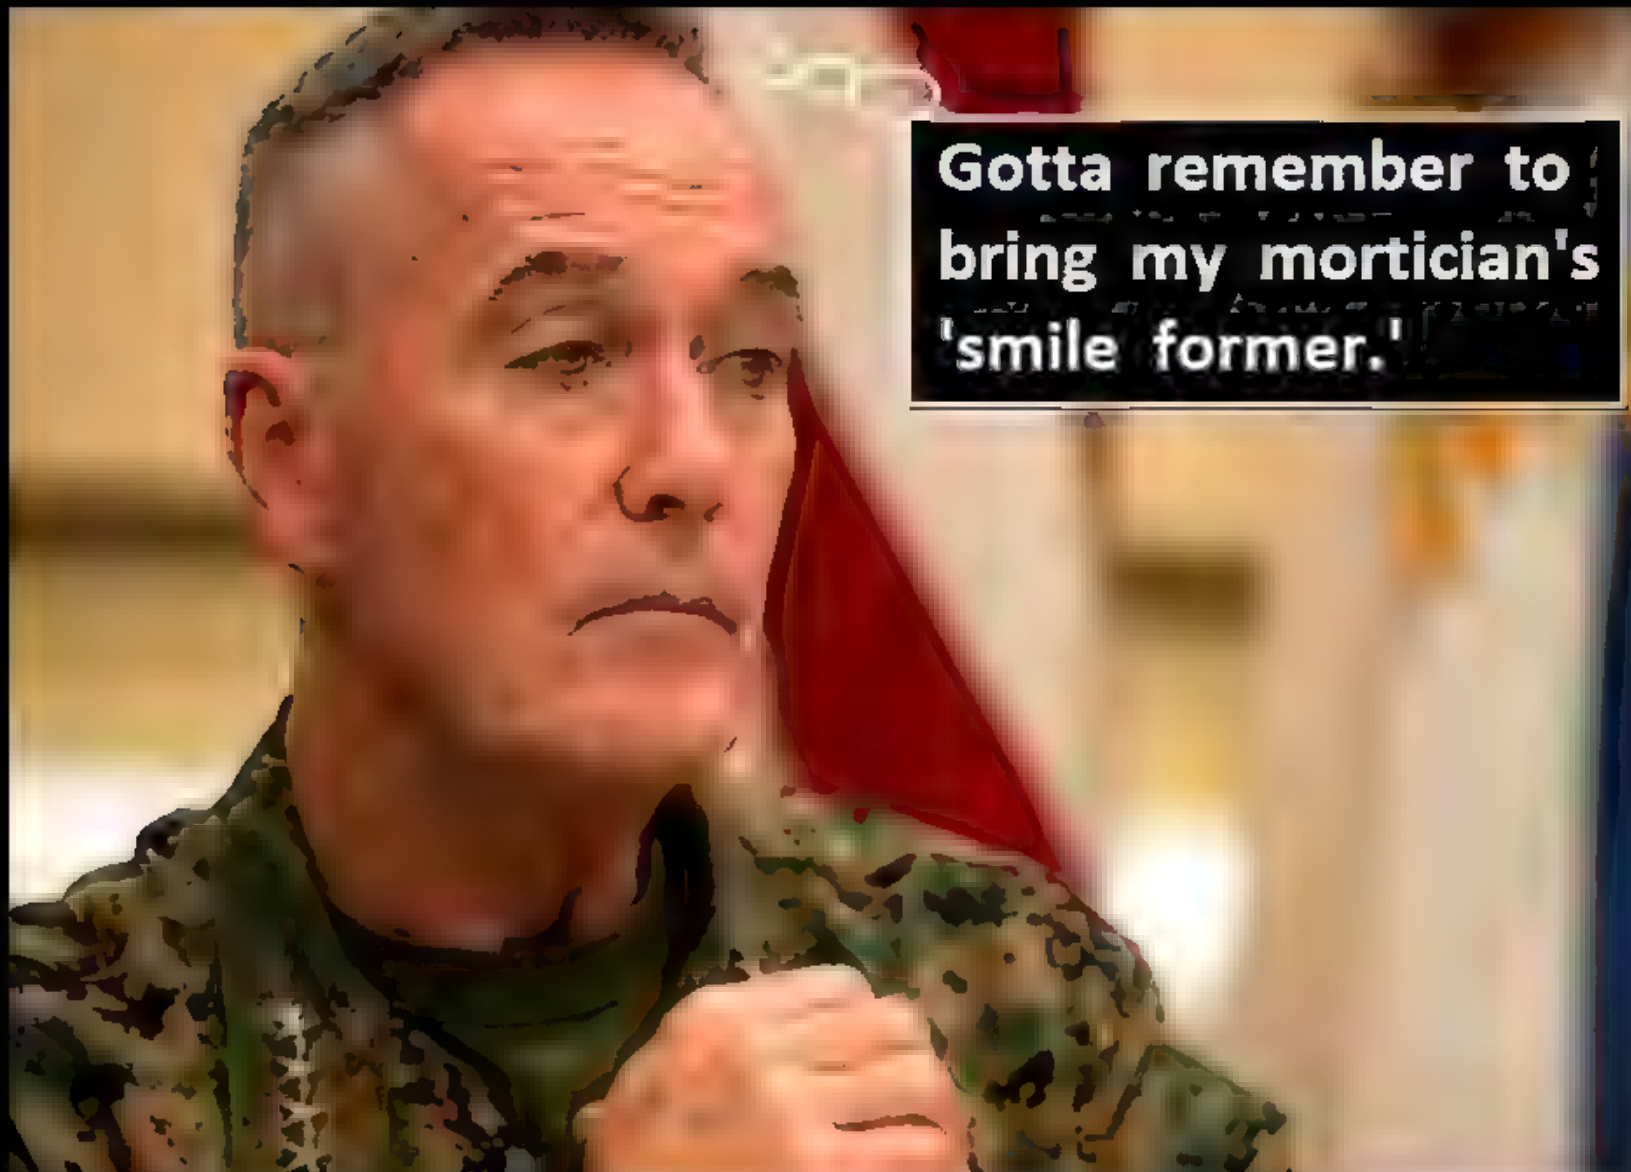

**" After the devastating tsunami
that scrubbed the Gaza coast,
Israel will dispatch emergency
response teams there to
provide survivors with ham
and bacon sandwiches ."**

" Ha ha ha ! I am alive and well ,
living in Idi Amin's old compound
in Saudi Arabia ! Tales of my early

A composite image of a church interior. On the left, a priest in a black cassock and white clerical shirt stands with his back to the camera, facing a large, crowded sanctuary. The sanctuary is filled with people, and the architecture features a high, vaulted ceiling with a large circular skylight. On the right, a man in a white cassock is seated in a wooden chair, facing the priest. A speech bubble from him says, "You dealt it / smelt it." In the center, a large black text box contains a quote. Below it, another speech bubble from the priest says, "No, I smelt it, and you dealt it." The floor is covered with a red carpet.

"If you two are finished acting like children, I have serious work here to continue... denying that we rat-lined thousands of escaped nazi war criminals to America, denying our culpability in world-wide pedophilia and denying that God created all humans equal."

You dealt it / smelt it.

No, I smelt it, and you dealt it.
